

# FLEXPO™ maverick II™

Full Graphic Fabric™

3 Panel Graphic Fabric™

stylish, flexible, ultra-portable...

The FLEXPO™ Maverick II is an elegant 8 foot display that incorporates the metal and fabric elements that are so popular today. Designed for 3-panel RasterPrint graphics, you can optionally outfit with a full-coverage one. The lightweight and compact disassembled unit reduces your freight costs and the no-tool design will eliminate labor costs since the entire unit can be setup in less than 30 minutes. And because Maverick II is part of the FLEXPO line, the frame is easily re-configurable into different displays!

## features

- Accommodates RasterPrint™ or Lexan® Digital Graphics
- No-tool assembly
- Quick, intuitive setup
- Frame re-configurable into alternate displays
- Extremely compact shipping
- Lightweight
