

FLEXPO™ maverick III™

3 Panel Graphic Fabric™

Full Graphic Fabric™

stylish, flexible, ultra-portable...

The FLEXPO™ Maverick3 is an 8 foot display that is striking in its simplicity with a graphic that form fits to its curved frame. The lightweight and compact disassembled unit reduces your freight costs and the no-tool design will eliminate labor costs since the entire unit can be setup in less than 30 minutes. And because the Maverick3 is part of the FLEXPO line, the frame is easily re-configurable into different displays!

features

- Accommodates RasterPrint™ or Lexan® Digital Graphics
- No-tool assembly
- Quick, intuitive setup
- Frame re-configurable into alternate displays
- Extremely compact shipping
- Lightweight

Optional Lighting
